The Mobby 2-seated configuration overview

Standard combinations

2-seated configuration

Standard outfitting

- LiFePO4 battery pack
- 1000 Watt motors
- On-board charger
- Airport package options
- Safety brake
- Armrests and footboards swing-up
- Steel non padded seating
- Patented transport fixation system
- Choice from our standard colours

Description

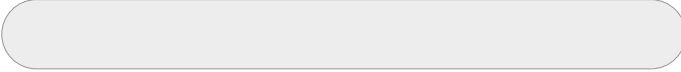

The Mobby Multi-Seated configurations combines the powerful e-Mobby with up to two connected Mobby chairs, enabling your team to transport three passengers and their hand luggage comfortably and efficiently. Its modular design allows full flexibility, use it as a single e-Mobby, a Duo-Seater, or the complete 3-Seater setup. A seamless, comfortable, and premium experience for every passenger.

The Multi-Seated configurations consists of an e-Mobby that has the **airport package** option by default, this includes the options of the pole with awareness beacon light, horn, luggage rack, crutch holder, and double automatic seatbelt XL.

Customisation options

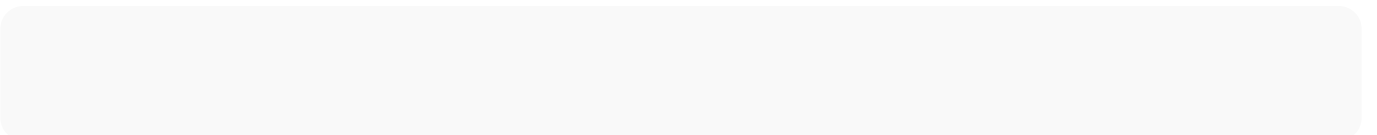

2-seated configuration

- Max. slope percentage: 8%

Technical information

2-Seated configuration

Weight distribution

2-Seater composition turn radius

Because the e-Mobby turns around the axis of its back wheels, the turning circle of a composition is the same as its length:

2-Seater composition - E-Mobby + Mobby 1.1 standard: 240 cm

Technical information

Other seated configurations

3-Seater composition turn radius

3-Seater composition - *E-Mobby* + *Mobby 1.1 extended* + *Mobby 1.1 standard*: **310 cm**

Single-Seated turn radius

E-Mobby: **177,5 cm**

Space-saving fold-up footboards

The **e-Mobby**, **Mobby 1.1 extended** and **Mobby 1.1** all come with a fold-up footboard by default. When the fold-up footboard is raised, it provides approximately **50 cm** of extra space, allowing the passenger to be seated comfortably.

Technical specifications of each individual product are listed on their respective product pages and in their brochures, accessible on www.specialmobility.eu.
