Description

Introducing the Mobby SP: The Self Propelling Mobby Wheelchair.

A highly requested Mobby model by customers, the Mobby SP offers the same safety features and customization options as our other models. It is equipped with the Link&Go feature, allowing it to link with other Mobby products such as the standard Mobby, the E-Mobby, and the Mobby-Mover. This enables the passenger to receive the same PRM treatment while also having the ability to move independently without the assistance of an operator.

A general manufacturer's warranty of 2 years applies to our products. The warranty applies to the frame and paintwork and covers any production errors that are reasonably culpable to us.

parts subject to regular wear and tear and damages resulting directly from the regular use of our products or misuse and vandalism will not be covered under warranty.

batteries, wheels, and braking systems are excluded from the warranty at all times.
