Functionalities

Mobby parking provides a clear display to offer Mobby products to your visitors, similar to the convenience of shopping carts in supermarkets, providing customers with easy access and efficient transportation. It simplifies the transport experience by centralizing Mobby items in a convenient location per Parking.

Customizing sign stickers is an option, granting you the flexibility to seamlessly integrate parking solutions into your company in a manner that suits your preferences. As seen above, we provide you with 3 standard options. In addition, we also offer the opportunity to design your own sign, tailored to your corporate identity, as mentioned earlier.
