The Parking XL serves as a reliable shelter for Mobby transport chairs, shielding them from various weather conditions while also providing a convenient gathering point for easy access, streamlining operations and enhancing overall convenience. With its spacious design, it can accommodate up to 9 Mobby 2 chairs, organized in 3 rows of 3 chairs.

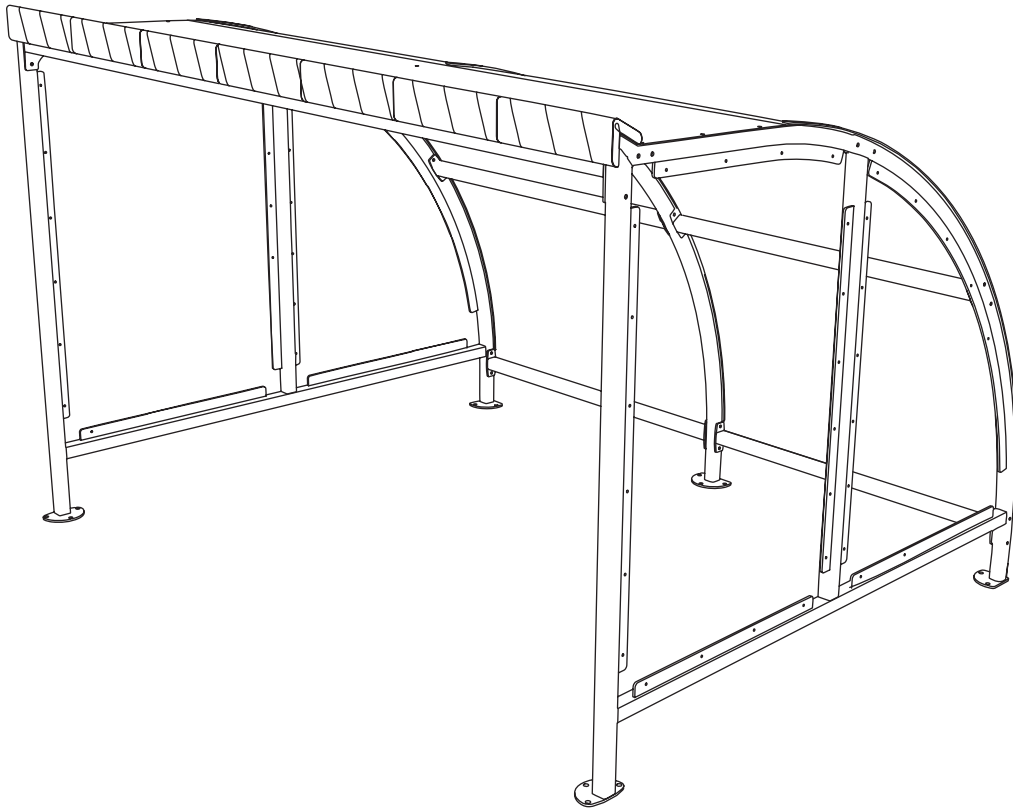

With the Mobby 1.1

Moreover, the versatility of the Parking XL extends to the predecessor of the current standard, the Mobby 1.1. In this configuration, it comfortably accommodates 3 rows of 2 chairs, as seen when hovering over the two nodes in the middle of this page.
